## MITIGATING HEALTH AND SAFETY RISKS FOR CORPORATE AND ORGANIZATIONAL TRAVELERS IS A VITAL PART TO AN ORGANIZATION'S DUTY OF CARE.

**1-in-30** trips abroad end in a medical emergency

**2 million+** travelers each year require medical transport ranging from **\$30,000** to **\$180,000** that travel insurance, business travel accident plans (bta's) and platinum cards benefits may not cover

**3-out-of-4** travelers are now concerned with their security even in places they used to consider "safe"

**MEDJETASSIST** provides its members with coordinated **hospital-to-hospital** medical transfer if injury or illness occur during domestic or international travel, for business or pleasure. The Medjet **Member is transferred to their home hospital of choice**, regardless of medical necessity, for the cost of the membership and nothing more. Covid-19 Transfer is now covered with some restrictions. Benefit details are available at [Medjet.com/COVID](https://www.medjet.com/COVID).

Our **MEDJETHORIZON** Travel Security and Crisis Response memberships include all the renowned medical transport benefits of a MedjetAssist membership, *plus* worldwide **travel security, crisis response** and **evacuation services**. Members have 24/7 access to an in-country response network for a wide range of safety concerns and threats while traveling : terrorism, political threat, natural disaster, disappearance, violent crime and more.

## MEDJET IS NOT INSURANCE. WE'RE DIFFERENT, AND HERE'S WHY.

Medjet is a membership program. Unlike an insurance company or platinum card service, there are **no deductibles**, **no claim forms** and **no monetary caps** on air medical transport costs. And for travelers under age 75, there are **no medical questions** or pre-existing condition clauses. Members don't need to have a transfer deemed "medically necessary." Medjet memberships provide travelers with unrivaled control over their health and safety.

## MEDJET MEMBER REVIEWS

Jim Dobson, *Forbes*

"I discovered Medjet a few years ago and have purchased a membership every year."

Peter Greenberg, *Author/Travel Editor, CBS News*

"Medjet does the best job for one very important reason. The fine-print disclaimers... are virtually eliminated. I strongly advise you to consider this."

Tony Clasen, *Medjet Member*

"When we got to [the home hospital] I was already scheduled with the hospital's top surgeon. A nurse asked if I was famous. I told her I was just a guy who had MedjetAssist."

## ELEVATED "DUTY OF CARE" SOLUTIONS

Medjet is an excellent and affordable addition to any BTA and travel medical policy, offering more control over transfer decisions and zero additional costs for service to either the member or the organization.
